The meeting agenda membership forms, and 2013 calendar were available for pickup at the door. Copies of the previous meeting minutes were available on each table.

## CIVIC LEAGUE

Mr. Bullard reported that the landscaping program is under budget. He added that Jeff and Tammy Brocaille have notified him that their family may not be in the neighborhood much longer and if they do move the league will need to locate a replacement owner for landscaping activities.

### Review of Previous General Meeting Minutes

Board Secretary John Glenn announced that copies of the previous general meeting minutes were available on each table and asked the residents to review them. President Walter Camp then called for a motion to accept the minutes. The membership made and seconded a motion, and then voted to accept the minutes unanimously.

### Treasurer's Report

Due to the need to discuss elections in this meeting, the treasurer's report was omitted.

### Crime Report

Neighborhood Watch Director Greg Turpin was unable to attend the meeting. A resident reported a car break in and that the car was allegedly locked. The league was not aware of any additional criminal activity in our neighborhood.

### Violet Bank Drive Bike Path

A resident asked about the Violet Bank Bike path, specifically, if we had obtained the interest of the Selwood residents. Mr. Camp stated that he had obtained the consent of residents within our league and that there remains a need to reach out to the homes between Selwood and Stratford Chase as the city wants to hear from the homeowners in order to ensure residents are amenable to construction along this corridor. John Glenn volunteered to canvass these residents in order to solicit their interest or aversion to this project.

### Closing

Mr. Camp called for any additional business. Hearing none, he adjourned the meeting at 7:15PM EDT.

Respectfully submitted,  
John Glenn, Secretary
